### **NBS Merges with Bay City and Lansing based Allied Office Interiors.**

**Troy, MI – May 15<sup>th</sup>, 2009.** NBS, a longstanding provider of workplace furniture and related products is pleased to announce the acquisition of Bay City and Lansing based Allied Office Interiors. As of May 15, 2009, Allied Office Interiors is owned by NBS based in Troy Michigan.

Richard Schwabauer, owner of NBS said “We are excited to announce that NBS and Allied Office Interiors have merged to form one, dynamic and innovative Steelcase Dealership to serve Southeast Michigan, East Central Michigan and Northern Ohio. An evolved NBS has emerged comprised of the best and brightest professionals in our business who are committed to this industry, its customers.”

In business for over 75 years, NBS is distinguished in the industry as a leading resource for work environments. It provides a full range of office furniture products and services including installation, design, floorcovering, floorcovering maintenance, furniture rental, branding, interior construction, audiovisual solutions, custom furniture and relocation services. Employed are specialists in many disciplines who can help clients thinking about space and how it relates to people, processes and technology.

NBS has a diversified customer base in the market and a dedicated vertical market focus that includes healthcare, government, corporate and education. Together with its strategic partners, NBS works hard each day to bring effective, creative value to its customers.
