General Notes:
Not for construction
All structural, mechanical and electrical engineering is the responsibility of others.
All furniture and design drawings are in confidence and dissemination may not be made without prior written consent of NBS. All common law rights of copyright and otherwise are hereby specifically reserved.
Final furniture fit and placement is subject to any variation from this plan due to construction changes, field conditions, material differences or changes required for any reason with notification to NBS.
If NBS did not design this project, NBS does not assume responsibility for the design, specification of parts or application of products included in this bid. NBS has only responded to the pricing request for the specifications provided.
