

Our Strategic Partners

Steelcase®

As the global leader in the office furniture industry, Steelcase offers a comprehensive portfolio of workplace products and services.

Rose Moving & Storage

Rose Moving & Storage provides a number of complex, time-sensitive logistical services including move management, furniture installation, warehousing and asset management.

Partners in Success

Creating high-performing, inspiring spaces takes more than vision - it requires the right team. That's why NBS has built strategic partnerships with companies who bring specialized expertise to the table, resulting in streamlined communication, smarter solutions, and a functional, cost-effective, and beautiful workplace. From new builds to remodels, our extended team makes the entire process seamless for our clients.

Vendor Partners

As a Steelcase dealer since 1976, NBS has helped large and small businesses alike create more productive workspaces. During this time we have grown as a company due in part to our association with some outstanding organizations that have allowed us to succeed.
