

Our Strategic Partners

Steelcase®

As the global leader in the office furniture industry, Steelcase offers a comprehensive portfolio of workplace products and services.

Rose Moving & Storage

Rose Moving & Storage provides a number of complex, time-sensitive logistical services including move management, furniture installation, warehousing and asset management.

Primeway[®]

Primeway Inc. is a manufacturer of custom furniture and millwork.

Partners in Success

Building harder working spaces is a team effort. Finding the right partners is the key to success. NBS has forged strategic partnerships that allow us to deliver holistic solutions for creating exciting and effective workspaces. We are aligned with a variety of companies whose core skills complement our own, resulting in a complete range of services necessary to make both new build-outs and remodels cost-efficient and practical.

Our Alliances

As a Steelcase dealer since 1976, NBS has helped large and small businesses alike create more productive workspaces. During this time we have grown as a company due in part to our association with some outstanding organizations that have allowed us to succeed.
